话题一 自己

My interests are manifold, including jumping, reading and playing computer games.

I enjoy reading books in my leisure time.

I'm fond of sports, especially like playing badminton.

My hobby of climbing mountains keeps me fit and close to nature.

Collecting stamps educates me in a variety of ways.

I'm diligent, modest and kind-hearted.

I'm always ready to help people in need.

Sensible of my shortcoming, I always try to overcome it.

Being timid is my greatest shortcoming.

I'm an outgoing girl who likes to make friends with people.

Being easy-going, I'm able to get along well with most of people I know.

With a strong determination to succeed, I make steady progress in my studies.

话题二，家庭

My father is from a working-class background.

My father works hard to support the family.

My father is the backbone of my family.

My family is a two-career family with both of my parents working.

The decision power of family affairs is in the hand of my mother.

I have no say in family affairs.

My mother queens it over the whole family.

We have a family gathering every month.

Children learn their first lesson from their parents.

Whenever I feel frustrated or sad, I turn to my family for comfort.

A harmonious family is important for the growth of children.

Family is the basic unit of society.

话题三 朋友

I treasure the friendship of a friend in need.

A true friend will always be there when you need a should to lean on.

The only way to have a friend is to be one.

For me, friendship is one of the most valuable possessions in the world.

The traditional chinese believe that gentlemen should be able to die for his friends.

To build up friendships needs efforts on both sides.

People like to make friends with those who have similar interests.

Pouring our troubles to friends is a good way of easing off pressure.

A true friend will not stand by when you are in trouble.

In friendship, loyalty may be the most important thing.

Friendship is a comfy situation like home.

Friendship is an inner relationship combining trust, support, communication, loyalty and understanding.

话题四 同学

I always pour my troubles to her.

I adore her delicate skin.

Being tender and understanding, she is like a sister to us.

We have much memorable time together.

We share our sorrows and happiness together.

We are birds of a feather.

Our friendship is built upon a solid base.

I know her inside and out.

A bosom friend is one to whom you could tell all your secrets.

Her personality is exactly the same as mine.

He gets along well with everyone in our class.

We have known each other since we were in kindergarten.

话题五 孩子

She's a spoiled child.

Nowadays children are under more pressure of competition.

Today's children enjoy a higher level of material life.

My niece is a lovely child with shiny eyes and tiny feet.

She's so adorable that I want to kiss her flowery face.

He is a little emperor of the family.

We should train children's practical skills.

In double-career families, children are often neglected.

Peter and his family live in the flat above mine.

He is tall for his age.

My nephew wears a very warm smile when he is happy.

He is strong-willed and usually finds out ways to get what he wants.

话题六 同事

He always brags about his achievements.

He's so careless that no one wants to work with him.

You should not say bad words about your colleagues behind their back.

Mutual respect is vital in establishing relationship with others.

The relationship among colleagues is more complicated than the campus relationship.

He is the soul of the team.

A competent colleague sometimes poses threat to you.

The members of our office get along like a family.

He's younger than his age but he's quite professional.

My colleague Todd is much of a friend and he's ready to help me any time.

A good colleague is supposed to be efficient and cooperative.

Working in a project is a good practice of team spirit.

话题七 名人

Premier Zhouenlai is the person I admire most.

Nowadays many young people consider TV stars as their role models.

The young actress achieves international fame with only one movie.

It's immoral to probe into people's privacy even if they are not famous.

We should learn from the shining points of the stars while being cautious against their shortcomings.

I admire Chairman Mao for what he has done for chinese people.

He is not only successful in the IT field but also active in the charity drive.

Kaifu Li has written a book named Be The Best Yourself, which is popular among young people.

He is my idol both in my study and life.

I like the songs of this singer, particularly their lyrics.

Every successful man must have had a lot of failures before he become a star.

Every dog can be successful.

话题八 邻居

The relationship between neighbours in rural areas is closer than that in cities.

We chinese always say that a near neighborhood is better than a distant relative.

My neighbor often brings over some delicious food she makes.

Sometimes the noise on the other side of the house makes it difficult for us to fall asleep.

Neighbours need more understanding between them.

I'm always careful not to make big noises at night.

A good neighbour is better than a brother in the next village.

It's better to keep on good terms with our neighbours.

When problems occur, neighbours should try to understand each other.

A good neighbour is supposed to be helpful and considerate.

I pay visits to my neighbours almost every day.

It's our duty to give a hand to our neighbours when they need.

话题九 老人

Respecting old people is a long-standing tradition of China.

China has entered the aging society period.

Old people sometimes behave like children.

The rich life experiences and wisdom of elderly people are a treasure.

Aging is an unavoidable natural process.

In my family old people are honoured.

When people grow old, sometimes they turn to be irritable and stubborn.

Many young people neglect their duties to the old ones in the family.

Different generations should be more understanding to each other.

In china old people often shoulder the responsibility of taking care of babies.

Old people pass down tradition to the younger generation.

Many old people today are often more open-minded than the young.

话题十 老师

A teacher should teach not only knowledge but also morals.

Patience is an important quality required of a teacher.

He's very much devoted to the cause of education.

He treats us as if we were his own children.

Teaching is an honourable profession.

My parents are my first teachers.

A school shall create a stimulating atmosphere to attract great teachers.

As the science develops teachers should improve their teaching methods to satisfy the requirement of modern society.

Teacher should motivate students to be creative.

A good teacher shall encourage rather than simply preach.

Teachers are required to learn something about psychology.

All students should be treated equally.

话题11 领导人

A good leader is always working hard like a horse.

As the CEO of the company, he is under much pressure.

I like those leaders who are friendly and easy-going among their employees.

Good leaders are close to their employees.

Rules and regulations are the best way to standardize a company.

Since he's a leader, he's supposed to take the lead.

If I were the leader, I' would be on equal terms with my employees.

A professional leader is always ready to take challenges and risks.

He's responsible to make important decisions and budgets for the company.

He's an expert on finance and good at interpreting the government policies.

A sales manager is supposed to sale services and products to potential customers.

She is playing a role of a manager and a role of a mother at the same time.

话题12 书籍

A good book should not only have interesting plots but also significant themes.

Books are beyond my interests.

Recently I've been reading a book written by Mark Twain.

I often poke along in secondhand bookstores in search of interesting used books.

I prefer romantic stories to realistic novels.

Nowadays the market is full of slipshod books churned out in a few days.

Novels on great heroes are popular in China.

People have different tastes for books.

I can find all kinds of books on the Internet for free.

I read romantic novels in my spare time for pleasure.

We should resist pirated books in order to protect the interests of the authors.

In order to borrow books from the school library, I applied for a reading card.

话题13 衣服

I always wore hand-me-downs when I was a little girl.

I like baggy pants because they are comfortable.

I do not like skintight clothes.

I admire the fashionable clothes on fashion magazines, but I won't wear them.

Clothes demonstrated on fashion shows are not intended for everyday use.

Different occasions require you to wear different clothes.

You should wear formal clothes on important occasions to be polite.

Young people are keen for fashion.

Nowadays people have more choices for clothes than ten years ago.

China is a great manufacturer and exporter of clothes.

Clothes made of cotton are healthier than those made of synthetic materials.

Old people are more conservative about what to wear.

话题14 计算机

Our life is made more convenient because of the invention of computers.

Computer provides people with different sorts of entertainment such as listening to music and watching films.

It's said that radiation of the computer screen is harmful to our health.

Many young people indulge themselves in surfing on the internet and neglect their studies.

Pregnant women should not sit in front of a computer for too long.

I'm a computer novice.

For me, computer is a means of study and entertainment.

Computer viruses can cause a lot of damage.

Many young people are obsessed with playing computer games and neglect their studies.

Computer can be a two-edged sword.

Computer is a problem while it brings convenience to people.

Computer has received more and more social attention from all walks of life.

话题15 烹饪与食物

China is a country with a splendid catering culture.

There are eight major cuisines in China.

Sichuan dishes are spicy and hot.

Roasted Beijing duck is a famous specialty in Beijing.

I like Cantonese food because it's light in flavour.

My mother has excellent culinary skills.

Learn cooking from my mother and cookery books.

I often watch cooking programs on TV to learn cooking.

My father is a gourmet.

My mother always experiments on new dishes.

Food in restaurant always has too much MSG.

My mother is health-conscious and prepares food with little MSG and salt.

话题16 金钱

Money is not the thing that I'm after.

We should not let riches govern us.

The young people tend to be loose with their money.

Many young people borrow from Peter to pay Paul.

Time is often compared to money for its preciousness.

Many low income families can not make their ends meet.

Old people are often thrifty in money.

You obtain money in a right way and use it thriftily.

"Money talks" could not be applied to every situation.

Thrift is one of the traditional virtues of Chinese people.

Money is often where all the trouble starts.

We should cultivate children's capability of dealing with their money.

话题17 信或卡片

Modern science and technology brings a huge impact on people's way of communication.

Letters are gradually giving way to e-mails.

E-mails are faster and almost cost free.

Traditional cards and letters are not environment-friendly as they are made of paper.

Sometimes writing a letter is more polite and more formal.

After receiving a gift, it's thoughtful to write a thank-you note.

Old people tend to love the sensation of traditional letters.

Young people today prefer to call rather than write letters.

Whenever I receive a letter from a friend, I feel happy.

Most of us have been harassed by junk mails.

A letter written in pen can express the feelings much more deeply than an e-mail.

E-cards are much more popular for its convenience and sending speed.

话题18 礼物

We send gifts to each other on important festivals.

Sending gifts is a way of expressing your gratitude to some person.

Gifts represent our best wishes.

When people are choosing gifts, they tend to be influenced by advertisement.

In my opinion, the giver's sincerity is more important than the price of the gift.

We tend to send nutritious food to old people as gifts.

Take account of the personal preference of the receiver when choosing a gift.

Show your gratitude when receiving a gift.

We Chinese people do not open the gift on the spot when receiving it.

In China when people say the gift is worth nothing, they are just trying to be modest.

I value handmade gifts more than expensive gifts bought from big stores.

Gifts can not buy friendship.

话题19 手工艺品

Handicrafts are sold at many tourist sites as souvenirs.

Handicrafts are more time-consuming and delicate than those made by machines.

Many people in rural areas make handicrafts as a source of income.

The skills to make handicrafts such as paper cutting are national treasure.

The skills to make some handicrafts are to be lost.

Refined handicrafts are welcomed by foreign guests.

The local government should take some measures to protect some handicraft-making skills.

Many handicraft skills are only passed to male descents of the family.

Handicrafts are more ethical that can help you understand the culture there.

Handicrafts sometimes are unique so that they are of great value.

Products made by machines can never take place of handicrafts.

Some products made by machines look almost the same as handicrafts, which become hard for us to tell.

话题20 日记

Writing and keeping a diary is a good habit.

I often note down what I did, what I saw and what I thought every day.

I don't write journals in my notebook but online.

You have to be careful not to let out your privacy in your journal.

I have a blog of my own and publish my journals online.

Writing journals on-line is a trend among young people even celebrities.

I don't mind how many people are reading my journals every day.

Diaries or journals can be taken as a collection of my past stories.

Writing can make us think and keep a clear mind.

I'm too busy to write diaries because my rhythm of life is fast.

Writing is a necessary and useful skill to everyone in the modern world.

You will find out yourself and see the world clearly if you write and think.

话题21 机器人

Robots can help us do some household chores in future.

Robots have no feelings and they only accept predesigned orders.

Robots can be used in some dangerous and poisonous working conditions.

Robots work more efficiently than human beings.

It's amazing that robots can understand our orders.

If robots are widely used, we human beings will have more time to relax.

As far as I'm concerned, robots will be widely used in factories in future.

Robots with artificial intelligence can decide to do something by themselves.

Some robots can do what we can't do.

In future, all those repetitive things will be done by robots.

No matter how, the robots will not take the place of our brains.

The robot DEEP BLUE designed by IBM is an expert on chess.

话题22 收藏

Collecting stamps is my hobby.

I do not collect stamps to gain money.

Stamp collecting is full of fun, relaxing and inexpensive.

Some people collect ancient coins by way of investment.

In the process of collecting, I learn a lot of knowledge about a variety of subjects.

Many people make a living from collecting and disposing items.

As you build up a collection, it's necessary that you have skills of identifying, selecting, evaluating and classifying items.

People collect almost everything, including books, stamps, coins, fossils, etc.

Some people are keen on collecting grotesque items, such as human bones.

People collect things either for fun or for money.

I'm obsessed with collecting pictures of TV stars.

Collecting can be a gateway of understanding China's folk culture.

话题23 颜色

Many people believe different colors have different powers.

Colors can influence our emotions, actions and how we respond to people.

Different colors have different symbolic meanings and different effects on people.

What color you like to some extent reflects what kind of person you are.

Warm colors such as red and orange make people feel confident, active and happy.

Cold colors such as blue and purple represent peace, meditation and calmness.

People who like warm colors tend to be optimists.

People who like cold colors are probably shy and quiet.

White symbolizes purity and cleanness.

I would like to decorate my room in orange color because it looks warm.

In China red is supposed to bring good luck.

Red is a sign of happiness in Chinese culture.

话题24 文化娱乐

Physical culture is one kind of the human culture as a whole and also a very special kind.

Physical culture characterized with "olympic spirit" has been accept by people of the whole world.

China's culture has never stopped developing throughout history.

China's culture has enriched itself through mutual exchange in the world.

In recent years, Beijing opera has attempted numerous reforms in response to sagging audience numbers.

Beijing opera arouse in the late 18th century and became fully developed and recognized by the mid 19th century.

Last month I went to Chinese National Grand Theatre to see a play called Thunderstorm.

We can relax ourselves in KTV thoroughly.

Sometimes we can go to an amusement park to relieve the pressure.

Movie Season is my famous holiday because I would have a lot of films to enjoy.

It's a great time for us to gather with our friends and relax.

It's free to all citizens, but always you can see too many people and you've got to wait in a long queue.

话题 25 电影

I watch a good old film every weekend.

That movie is a real tear-jerker.

It's a movie that shouldn't be missed.

A great movie can sometimes be a big flop at the box office.

A good movie should cater to public taste.

Many young people worship heroes as idols in films.

Parents should not let their children watch films with raw language.

Adventure films are my favourite.

Hong Kong Kung Fu films enjoy international reputation.

I like those films with adventurous plots and beautiful actresses.

A good movie should be educative.

A good movie often provides us a better way to pamper ourselves.

话题26 爱好

In my spare time, I like to hang out with my friends.

He's keen on gardening.

Surfing is not my cup of tea.

A healthy hobby relaxes people and provides fun.

I spend a lot of time and energy on my hobby.

Too much absorbed in one's hobby and neglecting work are not good.

I have a strong passion of collecting stamps.

I began to pick up this hobby when I was in grade six in primary school.

This hobby has given me an opportunity to make more friends.

Friends with common interests would have a lot to exchange.

I've devoted much of my spare time to it.

How much you're interested in will decide how much you will get from it.

话题27 音乐

I prefer classical music.

I'm a tone deaf.

Mozart is my favourite musician.

I can't stand rock music.

I'm simply crazy about rap music.

R&B is popular among young people.

I often go to KTV with my friends.

I listen to the Vienna New Year concert on TV every year.

Rock and Roll is rich in passion.

I started playing the piano at the age of six.

The Phantom of Opera is very touching.

The singer has an excellent voice.

话题28 照相

I'm not very photogenic.

These photographs do not do me justice.

The photo album is full of memories.

Photographs catch the happy moments spent with friends and family.

Photography is an amazing art form.

I enjoy seeing others' photos.

I take pictures at memorable events, such as birthdays and festivals.

Taking photos is a way of saving and sharing memories.

Digital camera is one of the greatest inventions of the twenty-first century.

Many people use Photoshop to better their image.

Taking false pictures is against the working ethics of journalists.

I took picture when I was on vocation.

话题29 购物

Girls today are fascinated with shopping.

I go window shopping as way of recreation.

For many westerners, Christmas is the shopping season.

The modern shopping malls integrate many functions, such as catering and recreation.

I go shopping in small stores because things there are much cheaper.

An ordinary university student could not afford shopping in department stores often.

Luxury is beyond my buying ability.

The purchasing power of the rural regions has increased.

My mother is a comparison shopper.

I always go bargain hunting in small markets.

With the sharp rising of CPI, life becomes harder.

My roommate is an impulse buyer.

话题 30 运动

I play badminton from 4 to 6 o'clock every afternoon.

I'm a sports enthusiast.

I see lots of people jogging in the park every day.

Among all the sports activities, badminton is my favorite.

Athletes should respect sportsmanship.

There are scores of sport events in the Olympics.

A successful Olympic Game will demonstrate China's rapid development in sports.

Football is a national sport.

Table tennis is the most popular sport in my hometown.

Chinese people are paying more and more attention to body exercising.

Sports like basketball, football can train our team spirit.

All work and no play makes Jack a dull boy.

话题31 旅游

If I had enough time and money, I would like to travel around the world.

I like to travel alone in the countryside.

I spend my holidays on traveling.

Traveling makes a person more mature.

You may run into different people while traveling.

I have been to many places of interest.

Remember to bring some medicine with you while traveling.

The scenery there is breathtaking.

Do not go to dangerous places while traveling alone.

Ghost haunted places can be tourist attractions.

The tourism is flourishing in China.

A five-day tour of Thailand is the first choice for many families to spend their spring festival.

话题 32 网站和网上购物

E-shopping is fast and convenient.

We can buy all kinds of things online.

Ebay is a large shopping website.

When e-shopping, pay particular attention to safekeeping your account information.

Before e-shopping, be sure that you know all the details of the article.

You should check your goods carefully after receiving it.

Shop on reliable websites.

Shopping on-line is a bargain because you can always get a discount.

I'm not particularly keen on e-shopping.

E-shopping has the potential danger of being cheated.

One of the disadvantages of e-shopping is that you are not able to see the commodity until receive it.

I prefer shopping in a traditional way to e-shopping.

话题 33 艺术技能

Some parents force their children to learn one or more than one artistic skills.

A lot of young people are crazy about art courses instead of other subjects.

Art is of great importance to everyone.

I like hip-pop dance and I once won the first prize in a competition.

Art can be regarded as another way to express our feelings.

Art colleges are becoming more and more popular in China.

Learning an artistic skill is good for one's imagination.

I'm good at playing the Chinese violin.

Some art crash training is of no use at all.

No matter what artistic skill you want to learn, you have to be ready to learn it for a long time.

It's not that easy to master an artistic skill within a short period of time.

Practice makes perfect.

话题34 最喜欢的歌

Some people say singing can lose your weight to some extent.

I often go to KTV with my friends for relaxation.

Singing in KTV is a way to communicate with my friends.

This melody brightens your mood.

I like those shopping centers where you can enjoy background music.

My favorite song is named when you believe by Maria Carey.

I like this song because the lyrics are unforgettable.

The songs of this band are all encouraging.

In a sense, music is a language.

Folk songs have strong local color.

Classical music sounds elegant.

The choir sang like angels.

话题35 游戏

Game is a way to relax and kill time.

Do not waste too much time playing PC games.

I'm not addicted to PC games at all.

Some games can practice our logical and creative thinking.

Every coin has two sides.

Song games from America can help me learn English while playing.

The figures in the games are quite the same as those in Greek Fairy Tales.

Some games contain too much violence, which is not good for young people at all.

Playing on-line games can let us make more friends.

I'm interested in RPG games rather than shooting games.

When I was a child, I played games like hide-and-seek, police-and-thief etc.

I didn't have many games to play when I was a child.

话题36 将来的计划

I hope I'll make a decent pay in the future.

Five years from now I would be in a managerial position of a medium-sized company.

I plan to have a double major in English and economics in college.

I think I'd find some short-time workplace attachment opportunities this summer.

After graduating from university, I would like to go on studying for a master's degree.

Job-hopping is common among young people.

My dream is to become a college teacher.

In order to have a good job in future, I shall develop my personal skills.

I'd like to challenge myself in different fields.

I want to attend a speed-up course to improve my computer skills.

Apart from the compulsory course, I'll choose two or three subjects depending on my interests, future plans and ability.

I'll make full use of our library to arm myself with much more knowledge next semester.

话题37 长期出国

I'll go to the UK for a year to study English.

It's good for English learners to go abroad to study and have an English environment.

In foreign countries, you should pay attention to the local customs.

Make enough preparation before you go abroad.

Make sure that you have learned some customs about the country you are going to,

If you are picky about food, you'd better learn some cooking skills before you go abroad.

In recent years, tens of thousands of students go to foreign countries to study.

You'll be at a loss when there is no body to rely on in a foreign country.

When you are in Rome, do as the Romans do.

More communication with native speakers would be a good way to improve English.

Studying abroad would broaden my horizon and enrich my knowledge.

I know I have to try my best to adapt to a new environment if I go abroad.

话题38 一个重要的决定

When I was a little girl, I relied on my parents to guide my decisions about every thing.

To get married is one of the most important decisions you can make in life.

This is a decision of life and death.

You should consult your supervisor before you decide which topic to write about.

When making decisions about migration, investment etc., we'd better ask help from expert.

This decision symbolizes a turning point of my life.

We can't follow blindly all of our parents advices.

Making decisions is a tough job.

My decision to become a teacher is largely due to my parents encouragement.

The decision of furthering my study in the US opens a new window for me.

I must be doited to make that decision.

Once a wrong decision is made, rarely is there an opportunity to amend for it.

话题39 快乐的事件

I'll remember this happy event as long as I live.

Happiness means different things to different people.

Happiness could not be bought with money.

For me, my happiness is closely tied to my family.

I'll never forget the day that event happened.

As the saying goes, extreme joy begets sorrow.

Those who are easily content are always happy.

Happiness should not be achieved at the expense of others' interests.

For me, working is the source of happiness.

I was having the time of my life.

We had a whale of a time at that party.

When I heard the news I was as happy as a lark.

话题40 成功

A successful man always has a goal and strives to realize the goal.

Money is not equal to success.

I'm proud of the success that he has achieved.

To be successful you have to keep one step ahead other people.

For me winning is everything.

Once seeing an opportunity for success, don't hesitate to go for it.

To achieve success requires perseverance.

We should not step on others in order to achieve our own success.

To have a harmonious family is another form of success.

Before you succeed, you may encounter with many failures.

I'm grateful to my parents for their support, which is essential to my success.

We learn from other people's success.

话题41 艺术活动

The students actively applied for the drama club.

The drama club presents the play of the year in spring.

As an art lover, I always go to art exhibitions whenever I have the chance.

Beijing Opera is a form of traditional art in China.

Young people nowadays can not appreciate traditional art.

To protect the traditional Chinese art, we should nurture children's interest in them.

Traditional art is a national treasure.

We should pass on the heritage culture to the coming generation.

Now young people have no interest in traditional art at all.

The government should give much support to the protection of traditional arts.

More schools, galleries and museums should be set up to let people know what art is.

International cultural exchange is a good way to contact with people in the world.

话题42 开公司

The biggest advantage of starting your own company is that you are your own boss.

A good boss shall learn to handle the labor problems correctly.

Don't hire employees who are always goofing off.

Good employers allow employees to talk freely with one another.

A good boss will try his best to reduce personal conflict on the job.

A good boss gives employees adequate control over how they do their work.

If I run a company of my own, I'll have some control on how I perform my work.

I'll employ those who have an ability to verbalize an idea easily.

Employees who work with flexibility develop an incredible sense of loyalty.

I only employ those loyal and faithful employees.

Being smart and intelligent doesn't mean that he is a good worker.

Running a company of my own will bring me a great sense of success.

话题43 生活中的变化

Great changes have taken place in my hometown in recent years.

Due to the development of economy, people in my hometown are living a better life.

I have changed a lot in personality.

I was a shy boy in the past but now I am confident and extrovert.

You could hardly imagine how your life would be like ten years later.

Environment is getting worse so people in the world are worrying about it.

The greatest change in my life is my way of thinking.

Life is colorful because it's full of change.

Life is a box of chocolate and you never know what you are going to eat.

As long as I am striving forward, I know I could make big changes of my life.

Everyone can be better and better if he has a dream and try his best to realize the dream.

I may have difficulties and frustrations in future but I am ready for it.

话题44 经济活动

I'm interested in economics and I read a lot of reports in economy.

Every year on CCTV, there is a competition named "Annual Economics Figures".

Those figures have pushed forward the development of Chinese economy.

What they did has had a great influence on people's life in China.

They have set up models for everyone of us.

Economic activities usually provide business opportunities for companies.

I once went to Guangzhou to attend the annual trade fair.

Guangzhou Trade Fair is regarded as the first "Name Card" of world companies.

It's window of foreign trade for domestic companies.

Every year in september, there is a great ceramic fair in my city.

A number of people are attracted here and it is like a holiday for the city.

Some economic organizations are playing a positive role in international corporation.

话题45 家乡

I came from Fenging which is a small town with 20,000 people.

It's a large city with many people, cars and architectures.

I especially love the peaceful life in my hometown.

With a long history, the city has many historical scenic spots.

I hope I could make some contribution to the elimination of pollution in my hometown.

After five years I found that my hometown has greatly changed.

The people living in my hometown are unsophisticated and simple.

The city is an important transportation hub.

Textile industry is the mainstay of the city.

My hometown is famous for pottery and porcelain.

People in my hometown are hospitable and warm-hearted.

It's a booming city and is developing at a rapid speed.

话题46 博物馆

The Shanghai museum is the most impressive one that I've ever seen.

I prefer to go to history museums.

Most of museums in China cost little in tickets.

Last month under a new policy many museums in Beijing became free of charge.

Visiting museums could help broaden our horizon.

My mother used to take me to museums on sundays.

The Palace Museum has a rich collection of antiques.

Museums often hold exhibitions of great works of art.

The Museum of Military History has become an important education base for students.

Museums are supposed to be given much support from the government.

I learned a lot from the trip to the national museum.

The museum is another place for us gain knowledge.

话题47 交通

My favorite transportation means is taxi.

We should develop public transportation in Beijing.

Too many private cars cause traffic jams in Beijing.

Subway is supposed to be on time.

People are encouraged to take buses to work.

The government should take some measures to relieve the traffic pressure.

Since the Olympics will be hold in Beijing, the government is building more subways.

Airplanes is the quickest but the most expensive way of traveling.

During the Spring Festival, the capacity of China's railway system is highly challenged.

The snow disaster cut off the traffic.

The bicycle is a clean and convenient way of traveling.

The magnet train will greatly improve the speed of transportation.

话题 48 你的国家

China has 23 provinces, 5 autonomous regions, 4 municipalities under the Central government and two special administration regions.

China is the third largest country in the world with 9,600,000 km.

The coastal area is more developed than the Western area.

It rains a lot in the southern part of China whereas it is much drier in the north.

China is a great country with a long history of over 5,000 years.

China has contributed a lot to the world peace and prosperity.

Chinese people are known for their hospitality and industry.

China is a tourist destination attracting friends from all over the world.

Since the reform and opening-up, many great changes have taken place in China.

We are proud of our splendid culture.

Now china enjoys a high status in the international community.

China has cultivated a lot of world-famous scientists and artists.

话题49 城市

Beijing is the political and cultural centre of China.

Beijing has a population of 20 million people.

Traffic has become an increasingly different problem in Beijing.

Beijing is one of the ancient Chinese capitals.

Having been the capital of China for over 800 years, Beijing is a city with rich cultural heritage.

If I had a chance, I would like to live in Hangzhou.

With a mild climate and its beautiful scenery, Hangzhou is an ideal place for living.

Sand storms often occur in Beijing in spring.

All kinds of cultural events and international symposiums are held in Beijing every year.

Beijing acted as the host city for the Olympics in 2008.

Beijing has changed into an open and modern metropolis.

Life in a city with its numerous supermarkets is much more convenient.

话题50 房间

I like a spacious and well furnished room.

My bedroom is sweet and cozy.

My dorm room is small but comfortable.

A room facing south enjoys good daylight.

I'd like to have a room with view in hotel.

It's a simply furnished room with little furniture.

I would be happier if I had another book shelf in my room.

Nowadays people like to live in a big bedroom with a bathroom attached to it.

I tidy my little space every day.

My dream is to have a king-sized bed in my bedroom.

Some green plants could liven up the whole room.

The painting on the wall creates some ambience to the little room.

话题51 学校

Our school is located in the suburban area.

The school campus is like a park full of trees and flowers.

A river runs through the campus, which adds much life to it.

The school has provided us with a wide range of courses.

The motto of our school is to make every student successful..

We hold deep feelings for our old school.

The school where I have graduated is a top level school of our city.

The school has cultivated many talents in all areas.

The school offers a variety of extra curriculum activities.

It's lucky for me to have encountered many learned and patient teachers.

Over 90% of the graduates enter universities.

The school attaches equal importance to studies and developing their skills.

话题52 建筑

During 9.11, people witnessed a young man jumping off the skyscraper.

The fast developing Beijing is building more and more skyscrapers.

The wealthy people enjoy spending their vacation in their villas in the countryside.

Most of the landlords in old China own a big mansion.

The newly built hotel shows great originality in design, which offers a good view.

Most of the office buildings in Zhongguancun have a glass surface.

I think in China the most interesting building is the Great Wall, which is one of the Seven Wonders of the world.

The opening and closing ceremonies of Olympic Games were held in the Bird Nest.

It locates in the centre of National Sports park.

The national theatre has become a new symbol of the city.

Its designing is full of romantic and modern idea of love.

This monument has become a landmark and spiritual support of the city.

话题53 外国

Italy is a world-famous country for its culture.

The Italian people are well-known for their hospitality.

People in that country are outgoing and hospitable as well.

After my study there, I may choose to settle down there.

What's special in this country is its colorful culture.

The values here are independence, success, equality and individuality.

It's a country where you can realize your dream.

I've never been to that country but I've read a lot of guidebooks about it.

No one denies that the education level in this country is the best.

It would be a great opportunity for you to learn the advanced knowledge in the world.

None of the foreign countries is better than my motherland.

I would surely come back to my motherland when I finish my study there.

话题54 河或湖

A river runs across our town which divides it into two parts.

The Yongtze river is the longest river in China.

The deposited plain at the lower reaches of the Yangtze river is fertile.

It's said that the yellow river is the origin of the Chinese culture.

The West Lake is the most famous tourist site in Hangzhou which attracts tens of thousands of tourists every year.

In summer, local people would like to take a stroll around the lake after meal.

The Swan Lake on our campus was built for the thirtieth anniversary.

Some people would go fishing there in summer.

The water of the lake is clean and clear and there is a great abundance of fish in it.

It has its own beauty of different seasons of the year.

It provides most of the water for people's life and industry on this piece of land.

In summer, it looks like a picture of a paradise.

话题55 最喜欢的公园

A public park is supposed to be open to every citizen and free of charge.

Every morning you can see lots of people exercising in the park.

I pass by the park every day on my way to school.

Taking a walk after meal is good for health.

The beautiful sceneries in the park sometimes stimulate our inspiration.

Gardens and parks have made the city more beautiful.

The forest park looks like a post card.

The view of the sunset there is truly breathtaking.

Jogging in the park peps you up.

The early bird catches the worm.

It would be better if the city has more public places like parks and gardens.

I prefer to go to an amusement park like "happy valley" in Beijing.

话题56 图书馆

There is a big library on my campus with millions of books in it.

Many people study in library because it provides a peaceful atmosphere.

I often borrow books about creativity from the library.

Library is an abundant resource of information on all subjects.

I hope in future the library could be open to public citizens.

When I'm writing papers or essays, I'll turn to those academic books in library.

Now the school is providing e-books for us to borrow.

An online library is convenient for us to search for books.

A library is like an encyclopedia.

Some students speak loudly in the library which annoys me a lot.

A library card is needed if you want to borrow books.

The national library has a vast and comprehensive collection of books in all walks of life.

话题57 媒体

I read news online every evening.

Watching TV is the easiest way to get to know what happens around the world.

There is much false information on the Internet.

The preeminent objective of a media worker is to pursue the truth behind the event.

We should not 100% believe what is reported on TV.

Listen to VOA news is a good way of learning English.

Sometimes media are the only mouthpiece of certain interest groups.

Terrorists take advantage of the media to spread their messages.

The development of the internet extends the scope of media.

As a modern young man we should pay attention to both local news and national new.

The media should shoulder the responsibility of supervising the work of the government.

Nowadays many people turn to media for help when they are in trouble.

话题 58 电视

I am a big fan of TV.

Sitting too close to TV can ruin your eyes.

Children should not stay up too late watching TV.

In my spare time I like watching soap operas.

I don't like commercials because they chop out programs into pieces.

Nowadays many TV programs are rubbish.

Coach potato is used to describe those who spend the whole day watching TV.

Many people gain weight by sitting before TV and eating snacks for all day.

We can watch the Olympic games live on TV.

Almost every family in China has one or more TV sets.

Through TV we get to know what people do in other corners of the world.

Some people think watching TV is a waste of time

话题59 广告

Advertisements aim to drum up more business.

It really pays to advertise.

Sometimes advertisements gimmicks can attract customers.

A well-designed advertisement gets business going.

False advertisement shall be banned.

The development of internet has brought about many new forms of advertising

Commercials on TV programs are annoying.

The revenues of newspapers, TV stations and other forms of media rely on advertisements.

We can always see advertisements for luxuries in fashion magazines.

A good TV commercial is a work of art.

Big brands invest a lot of money in advertising.

Advertisements influence our shopping habits.

话题60 报纸或杂志

I read newspapers every day to be informed of what is happening the world.

Magazines about the internet or science are my favorites.

Not all of the information in newspapers is accurate or correct.

Reading newspapers could broaden our horizon.

For some people, newspaper is an indispensable way to gain the latest information.

There are a great variety of magazines for different tastes.

Newspaper is portable and it is easy to carry with.

News on TV could leave us a deeper impression compared with newspapers.

A journalists is supposed to tell the truth while reporting.

Some newspapers are tended to be local.

I only read what I'm interested in.

English newspapers could help us learn English.

话题61 因特网

From a long-term perspective, internet shopping is getting more and more popular.

After all some goods are not suitable for online shopping.

For some girls they prefer to go to department stores instead of online shopping.

E-commerce is changing the way of modern trade.

E-bank is so convenient that we can transfer money online by ourselves.

Distance education is booming as technology is making astounding advances.

I am worrying that e-mail will reduce writing and interpersonal skills.

The interactive book or i-book will offer many advantages over traditional books.

More detailed information will be just a click or touch away.

As a new media, the internet is providing a great abundance of information.

The internet has made the world a global village.

Never let out your personal information online such as phone numbers or birthday.

话题62 电视节目

I am a couch potato.

I only watch news programs on TV.

TV is playing a positive role in our modern life and it has become a part of our life.

Talk show programs are my favourite because they are telling real stories.

Parents should guide their children when watching TV.

Some programs contain sex, violence and raw language.

Football channel is popular among young people, particularly men.

Now I'm interested in programs about this great Olympic Games.

Programs about adventures and discoveries could broaden our horizon.

Watching TV together with family members is an opportunity to communicate.

As far as I'm concerned too much time in front of TV is a waste of time.
TV to some extent can be regarded as an encyclopedia.

话题63 动物或宠物

A pet provides companionship to people and brings them a lot of fun.

A well-behaved pet is a beloved member of a family.

Some people keep snakes as pets.

I'm crazy about cats because they are so cute.

Cats are often admired for their grace and mysteriousness.

Dogs are loyal and never forsake their master.

To keep a pet you shall be loving and committed.

I take my dog on walks every evening.

It is a shame to abandon your pet.

Keeping a pet involves a lot of responsibility and work.

Learning to care for a pet helps a child to have a sense of responsibility.

I enjoy spending time with my cat.

话题64 野生动物

The government should lay down relative laws to protect wild animals.

Wild animals play an important role in the ecosystem.

Those who illegally hunt wild animals should be punished.

Some wild animals just can't adapt to the environment today.

The wild lives in the zoo are too tame which in a way is not good.

I enjoy seeing wild animals running free in their natural habitats.

Wild animals should not be caged in the zoo.

It's kind of animal cruelty if we raise them in a cage.

As a king, you need to respect all the creatures from the crawling ants to the leaping antelope.

Animals are friends to us human beings and should be treated equally.

Some wild animals are on the brink of extinction, for example panda and tiger.

It's high time that we took some measures to protect the wild animals.

话题65 气候

In the north of China the four seasons are distinguishable.

I like summer best because flowers bloom luxuriously.

With the blooming of flowers summer provides us with a colorful decoration.

Spring is my favorite season because it's the beginning of the year.

Spring is a season full of energy, in which you can see trees turn green overnight.

Autumn is a harvest season for farmers.

In my hometown winter is a season full of snow and it's freezing every day.

The climate at present is much worse than before.

Great changes of environment have taken place during the recent years in my city.

The exhaust gas from factories and cars is a great threat to our environment.

The temperature in summer every year is getting higher and higher.

In autumn when the weather is fine people often climbing hills.

话题66 工业

The development of industry brings about much pollution to the environment.

Industry is the greatest source of pollution.

The mainstay in my hometown is coal and ceramics industry.

Manufacturing facilities use huge quantities of fresh water to carry away wastes of many kinds.

Many countries have realized the problem of global warming.

Technological advances in the chemical industry have altered the world's economy.

The consumer electronics industry is developing much more quickly than before.
The government should try to keep the balance of development and environmental protection.

We can not stop industrialization to protect our environment.

Industry is responsible for most of the deadly pollutants.

Pollution is killing off some plant and animal species and even our human beings.

In many public water system, pollution exceeds safe levels.

话题67 污染

No body would like to see trash all over the ground.

When drinking or eating outside you should keep the garbage until you find a trashcan to put it in.

Littering makes our planet dirty.

We shouldn't waste paper because trees are being cut down to make paper.

Free plastic bags once provided by supermarkets and stores are now forbidden.

More recycling centers are supposed to set up.

Manufacturing plants should abide by the rules and regulations for environmental protection.

Textile and steel industries produce more pollutants than others.

If the rivers and lakes are polluted people would have no water to drink in future.

Now most people are aware of the seriousness of water pollution.

Cars and public buses are producing most of the exhaust gas to the air.

Study on new energies may provide a better way to solve the problem.

话题68 科学发展

Driven by science and technology the society is undergoing a dramatic change.

My fascination with science started from middle school.

We hope that science is introduced to the public in a vivid way.

Science and technology to some extent represents the power of a country.

We are coming to an age of automation.

Science is not as abstract as what you have expected.

The development of science is pushing forward the development of other industries.

Technology is making the world colorful and unexpected as well.

Electronic technology is developing so fast that we see new e-products every day.

Science and technology is the first productive force.

With many years of study and research he found out the truth.\

Einstein, famous for his theory of relativity, is one of the scientists I admire most.

话题69 假期

When you are troubled a vacation is the best medicine.

Last summer I had a blissful stay in Suzhou.

If I had a holiday of a few days I would like to visit Hangzhou.

I always take a long holiday in July and April.

I spend my holiday fooling around and doing nothing.

Tokyo is an ideal destination for holidays.

With its romantic atmosphere Paris becomes a tourist attraction.

My trip to Beijing in summer holiday was charming.

Spring festival is the most important holiday in China.

During holidays I often have a big gathering with our family members.

I would like to pay a new year visit to my relatives during the spring festival.

I would prefer to go to the gym center to do the body exercising during on holidays.

话题 70 工作

Presently I am working for a local advertising company.

I make a living by designing TV commercials.

My ideal job should have at least two weeks' paid vacation every year.,

At present the job outlook is grim.

My dream is to find a well-paid job such as banking, marketing,etc.

I hope to work in a multinational company.

I am fascinated with accounting and finance.

I'm not very satisfied with my present job.

I wish to switch my current job.

Nowadays the job market is full of fierce competition.

I believe my talents merit a higher position.

Nowadays young people tend to think themselves above business.
